The Solveathon 3.0 Grand Finale and Pitch Fest was held on the 29th and 30th of April, 2024, at the Leo Muthu Stadium, showcasing a vibrant array of innovative ideas from numerous participants. On the first day, the event was graced by Dr. Senthil Nathan T S, Chief Executive Officer and Founder of Phanes Biotech, Malvern, USA, as the Chief Guest, and Mr. Sunil Gupta, Co-Founder and CEO of QNu Labs, Bengaluru, as the Guest of Honour. The event featured 17 panels, each dedicated to one of the 17 Sustainable Development Goals (SDGs).

The second day was equally illustrious, with Mr. Chandrashekar Kupperi, Founder of ANOVA Corporate Services Pvt. Ltd., serving as the Chief Guest, and Mr. Navaneethakrishnan Ramanathan, Director of Global Partnerships and Government Relations at Metasage Alliance, and Chairman of the IEEE Education Society Madras Section, as the Guest of Honour. The event also welcomed special invitees and was marked by an inspiring address from CEO and Chairman, Dr. Sai Prakash Leo Muthu.

With approximately 2520 participants presenting their innovative ideas, the event was a resounding success. Additionally, four Memorandums of Understanding (MoUs) were signed, paving the way for future collaborations. The Solveathon 3.0 not only celebrated innovation but also fostered significant partnerships and knowledge sharing, underscoring the event's impact and importance
